## **MATsolutions Named U.S. Chamber Blue Ribbon Small Business of the Year Award Winner**

**Irving, TX, February 25, 2014** —The U.S. Chamber of Commerce has named MATsolutions of Irving, TX a 2014 [Blue Ribbon Small Business of the Year Award](#) winner. MATsolutions was selected from a record number of applicants across the nation for demonstrating exceptional business practices in areas including strategic planning, marketing, employee development, community involvement, and customer service.

“As the business community has worked hard to do its part in moving the country forward economically, small businesses have continued to be the driving force responsible for much of our progress,” U.S. Chamber President and CEO Thomas J. Donohue said. “Our Blue Ribbon Award winners are the best of the best—growing and succeeding despite significant challenges.”

“MATsolutions is pleased to receive this prestigious Small Business of the Year award,” said Cary Albert, President. “It is further validation of our efforts to offer our customers the highest level of service, integrity and accountability possible. Over the last year, we’ve rebranded the Company, launched a new e-commerce site, introduced a valuable set of [Assurances and Guarantees](#) for customers and created [MATrewards](#), the Used Test & Measurement industry’s first loyalty program. This award is a great acknowledgement of the advances we have made.”

MATsolutions is one of eight Irving small businesses selected as a 2014 Blue Ribbon Small Businesses of the Year. Irving leads the nation for the sixth consecutive year with the most winners of the Blue Ribbon Small Business of the Year award.
