MATsolutions of Irving, TX Named U.S. Chamber Blue Ribbon Small Business Award Winner for Second Year

Irving, TX, January 27, 2015 —The U.S. Chamber of Commerce has named MATsolutions of Irving, TX a [Blue Ribbon Small Business Award](#) winner for the second year in a row. The annual program recognizes companies for their dedication to the principles of free enterprise and contributions to restoring jobs and supporting economic growth. MATsolutions was selected from a record number of applicants across the nation for demonstrating exceptional business practices in areas including strategic planning, employee development, community involvement, and customer service.

“While our economy still struggles to reach its full potential, small businesses like our Blue Ribbon Award winners have continued to act as examples of the resilience, ingenuity, and opportunity at work in the free enterprise system,” U.S. Chamber President and CEO Thomas J. Donohue said. “Times can be tough, but these businesses have proven that they can be too. And by taking risks, watching out for their employees, and giving back to their communities, they’ve shown that success is achievable.”

MATsolutions is one of six Irving small businesses selected as a 2015 Blue Ribbon Small Businesses of the Year. Irving leads the nation for the seventh consecutive year with the most winners of the Blue Ribbon Small Business of the Year award.

“MATsolutions is pleased to receive this Blue Ribbon Small Business of the Year award for the second year running,” said Cary Albert, President. “It further validates our efforts to offer our customers the highest level of service and accountability possible.”
